What is the church of Christ?

In [Matthew 16:18](#), Jesus promised to build a church. In [Acts 2:47](#), Luke tells us that people were being added to that church. Thus, we can conclude that Jesus built His church sometime between His promise in Matthew 16 and Luke's statement in Acts 2. Indeed, a closer study of the events in Acts 2 reveals that the Lord's church was established on that first day of Pentecost following the Lord's resurrection.

Saved by Works?
The Bible teaches very clearly that salvation occurs at the point of baptism and not before. (Acts 22:16, 1 Peter 3:21, Romans 6:4) To deny that fact is to deny scripture. But does that mean we are saved by works? Hardly! Hebrews 11:7 tells us that Noah built the ark by faith. Did he earn his salvation from the flood by building that ark? Would he have been saved from the flood had he not built that ark? Hebrews 11:7 tells us that 100 years of ark building was faith. How then can anyone seriously label 5 seconds of obedience in baptism a meritorious work? Those who believe they are saved from their sins at their baptism believe so because the Lord said so, and they take him at his word. That is called trust, not self righteousness. Isn't that what Paul said in Titus 3:4-7? Notice in those verses that Paul does not link baptism to our works of righteousness (which do not save) but rather to the mercy of God (which does save).
