

EXHORT ONE ANOTHER DAILY...WHILE IT IS CALLED TODAY. Heb, 3:13 - ~~Heb. 10:25~~

THOSE WHO ARE TO EXHORT:

1. The preacher. 1 Tim. 4:13; 2 Tim. 4:2
2. The members. Heb.3:13 - *Heb. 10:25*

THE NEED FOR EXHORTATION:

1. How often church members see a fellow-Christian go astray; yet never speak a word of warning and exhortation to that member.
2. How often do they hear reports of unfaithfulness on the part of some one and even contribute to the circulation of such reports...but never a word of exhortation to that individual.
3. If members of the body of Christ would all watch over one another, not as censors, but as members one of another how many errors might be avoided and even souls saved.
