2. Great tornados often give no warning. When we are warned of approaching storms what do you do about it?
3. The explosion in New London, Texas in 1936 was not expected. School building demolished. 321 school children killed. These names on monument in New London, Texas remind us a sudden calamity that came without warning

2. GOD'S WARNINGS AMPLE...MORE OFTEN NOT HEEDED.

2. The people of that day were immersed in the ordinary pursuits of life:

Luke 16:1-10; 19-31.

2. Unfaithful Christians will be going about their business. They will be putting some trivial things and worldly things ahead of God. Matt. 6:33.
Big business deals. Questionable place entertainment of friends, parties, balls will occupy their minds.

2. The pursuit of pleasures.

1. Parents determined to climb the social ladder with their children will face the Lord. 2 Tim. 3:1-5. 1 Tim. 5:6.

3. The pursuit of sin. Romans 6:23. *James 1:13-15*
