

1. Of the 14 top nations the United States lead them all in crime.
 1. Our young people are continually confronted with this sordid record in America.
2. In this past decade especially we have seen cataclysmal changes on every hand. Our young people have been confronted with such problems as:
Vietnam, China, Israel
 1. Vietnam, China, Israel. What is the outcome?
 2. The bomb, The ABM. Nerve Gas...Law and order that actually seems to be a thing no more.
 3. The ghetto. The Black militants of every degree.
 4. Drugs. Birth control. Abortion. Murder and suicide. Welfare. Unemployment.
 5. Pollution. , Cancer. Sex. Noise, Hippies and hair.
3. They have seen corruption in high places and they know that they are now faced with a government not "by the people," and "of the people." and "for the people," but rather a government controlled by certain ethnic groups often in the minority.
 1. Example:
 1. The Supreme Court recently ruled that a large cement cross must come down from a park in Eugene, Oregon. Why?
 1. It might be offensive to non-believers.
 2. Any way you look at it non-believers make up and account for a very small segment (minority) of our population.
4. They are now talking of a New World or No World.
 1. We will never have a New World until people clean themselves up spiritually.
5. Some one has described America as a nation of empty beer cans and computers.

6. It now seems as if the war machine is slowly winding itself up for its final fling in an effort to destroy humanity
