

1. The fool hath said in his heart there is no God. Psalms 14:1; 53:1. *see matthew 5:21, 22*
Fool; want of wisdom; stupid fool; self ignorant
2. Folly, (FOOL) foolishness constitutes an unsafe guide. Why? *foolery*
 1. Because the fool's heart is in the wrong place.
 2. The fool's heart never acts at the right time.
 3. The fool's heart always leads in the wrong direction. He lacks wisdom with which to direct.
3. Folly invariably betrays its own stupidity. He will proclaim himself to be a fool:
 1. By his irrational behaviour.
 1. His wisdom will fail him at critical times and on important subjects.
 2. In the most public manner. As he walks by the way.
 1. He may be so gone that he is not even conscious that he is making such a display of himself.
 3. To ^{at the fullest extent} ~~the fullest extent~~... Not to his friends in private.
 1. To his neighbours in the street. "As walketh by the way."
 2. Not merely to one or two of his neighbors but, "to every one of them."
