

THE RESULT OF GOVERNING SINS IN THE CHURCH:

1. We corrupt the morality and virtue of the church and destroy its power to honor God and save men.
2. Covering up sin causes the church to become a synagogue of Satan instead of a church of Jesus Christ.

3. WHAT OR WHO IS INJURED BY EXPOSING SIN?

1. The truth cannot be injured by an exposure of falsehood.
2. The greatest injury ~~MMMMMM~~ inflicted on truth is to yoke it with falsehood-sin.
3. God Cannot be honored by covering by cherishing evil in the congregation.
4. It cannot help good men to keep evil men in association with them.
5. It corrupts the goodness of good men, 1 Cor. 14:33, and destroys their influence for good.
6. It is an injury to evil men...for it countenances them as though they were good

1. The cherishing of falsehood, evil and unfaithful men among them.
