

THOU HAST BARNS ALREADY. They are:

1. The preaching of the gospel of Christ.
2. The bosoms of the needy. Who ever they may be.
3. The houses of the ~~poor~~widows.
4. The mouths of orphans and infants not wanted.

THIS LOVE FOR POSSESSIONS:

1. It becomes a disease of the soul.
2. It twines itself around the heart.
3. It destroys all the affections and higher aspirations of life.

WE SOMETIME TRY TO CONTROL THE WORK OF THE CHURCH WITH OUR MONEY.

1. If you will support this work or build in this manner I will give so much or *more*
