

## WHAT DO YOU SEE?

1. The old Indian Sage ask his son what he saw in the acorn.
  1. His son saw nothing. <sup>ACORN</sup>
  2. The indian Sage saw great oaks, forests of trees, houses, many buildings coming into being as t e result of the lumber from that oak and others that should sprin from it.
2. What you see in anything is determined by your attitude toward the seen.
  1. What do you see in the funeral?
  2. What do you see in the church
3. What do you see in the L<sup>o</sup>rd's Supper. Is all you see just a bit of bred and grape-juic
  1. What you see will determine your action as you partake and even around the table.
4. What do you see in Baptism?

- 1-Search the Scriptures
