

## WHY DID JESUS CHOOSE TO TALK ABOUT A RICH FARMER?

1. Not because of his: wealth, the size of his barns, his present great ueild.
2. Jesus would warn us of making the "gold standard" the only standard for living.
3. At the close of a busy day, and after a sumptuous dinner we trudge of topbed hoppingo sleep. What have you forgotten?
  1. When your stomach was empty and the pangs of hunger began to gnaw you fed it.
  2. When your soul begins to hunger and thirst and cry out to God for spiritual food and drink did you feed it?
    1. Did you quench its thirst with the unfailing water of life? , or, Did y u stuff it with materialism secularism & intellectualism. Thses things may have their place: BUT YOU CAN POUR THE WHOLE WORLD INTO A MAN'S SOUL AND THAT SOUL WILL STILL BE EMPTY.
