

**Lesson 7**  
**II Corinthians 4:1-6**

1. There have always been people in the church who are largely \_\_\_\_\_ except when they are unleashing barrages of \_\_\_\_\_ at those in the church who are largely \_\_\_\_\_, and Corinth seems to have been no exception.
2. Boldness follows naturally when what we say begins with “\_\_\_\_\_”.
3. The noun “deception” translates a Greek word that literally means “the readiness to do \_\_\_\_\_.”
4. A crisis of \_\_\_\_\_ is always presented by the gospel. What is at stake is an \_\_\_\_\_/\_\_\_\_\_. There is not a third thing between.
5. The sun does not cease to be the sun although \_\_\_\_\_.
6. What veils the gospel is that which Paul absolutely refuses to compromise: the scandal of the \_\_\_\_\_.
7. The Christian gospel offends those who want a more \_\_\_\_\_ gospel – one with less \_\_\_\_\_ and no cross to carry.
8. Who could deny that Satan is the \_\_\_\_\_ ruler of this present age?
9. The \_\_\_\_\_ is the chief object of Satan’s ploys. That is why God has chosen the \_\_\_\_\_ to transmit the gospel, because the \_\_\_\_\_ touches our \_\_\_\_\_.
10. We have all likely had the misfortune of hearing a sermon at the conclusion of which we have learned more about \_\_\_\_\_ than about \_\_\_\_\_.
